PROFESSIONAL EXPERIENCE

Aug 2025 - Dec 2025

Website Developer & Technical Support Contractor

Marigold Star Design LLC
New York, NY

- Led the end-to-end development of a complete e-commerce website for Yenoh Home on an independent contract basis.
- Engineered the full user experience, including front-end UI/UX design (per brand guidelines), shopping cart/checkout process, and Stripe/PayPal payment integration.
- Managed the project lifecycle, delivering beta/final versions, ensuring cross-device responsive optimization, and providing technical maintenance.

July 2025 - Present

Tattoo Artist (NYC Licensed)

Self-employed / Freelance
Shenzhen, China | New York, NY

- Manage the full project lifecycle as an NYC Licensed Tattoo Artist, from initial client consultation and in-depth interviews to final execution.
- Translate clients' personal concepts and stories into custom art designs, while managing all business operations (scheduling, records) and ensuring strict adherence to NYC DOH safety standards.

July 2024 - Dec 2024

Digital Media & EdTech Intern

Shenzhen Longing Innovative Aviation Technology Co., Ltd
Shenzhen, China (Hybrid)

- Developed and delivered foundational drone curriculum on-site (June-Aug), teaching elementary students basic drone assembly and flight concepts.
- Designed and refined the company's core IP character (remotely), creating visual assets for educational materials and branding.
- Managed and created content for social media campaigns (remotely), including WeChat, Xiaohongshu, to promote educational projects.

Aug 2023 - Sep 2023

Intern

Palwo Shenzhen, China -
Shenzhen, China

- Used Midjourney & Stable Diffusion to produce visuals aligned with client needs, optimizing workflow.
- Designed motion demos in After Effects to enhance product presentation quality.
- Collaborated with engineers to integrate creative and technical goals.

Jun 2023 - Aug 2023

Design Assistant

Shenzhen Koradior Fashion Ltd.
Shenzhen, China

- Assisted in designing the product catalog, coordinating modeling shoots, and managing on-site setup, contributing to an enhanced brand image and increased market visibility.
- Created professional PowerPoint presentations for the launch, utilizing Adobe Photoshop and Illustrator to ensure visually appealing and high-quality visuals.
- Supported full project workflow from concept to execution, improving teamwork and problem-solving skills.

Jun 2022 - Aug 2022

Brand & IP Design Intern

Shenzhen 1030 Cultural and
Creative
Shenzhen, China

- Designed festival posters and marketing materials for digital (NFT) and physical campaigns.
- Developed concepts and designs for IP merchandise (e.g., apparel, memes).
- Managed local IP co-branding partnerships, including pitching and negotiating collaborations with local coffee shops.

ACADEMIC & PERSONAL PROJECTS

East Asian Psychological Horror Game (VR) | *In Progress (2025)*

- Developing an immersive 3D VR game exploring themes of East Asian cultural family horror and mother-daughter relationships.
- Responsible for concept, 3D modeling, environment design, and interaction scripting in Unity.

Subculture Ethnography (Comic) | *Parsons Core Lab (2025 - Present)*

- Conducting in-depth ethnographic interviews with Chinese subculture members, translating their stories into digital comics set against their personal backgrounds.
- Focused on human-centered design, narrative structure, and visual storytelling.

CityQuest (iOS App) (2025)

- Developed a functional city-exploration iOS game using Swift, Xcode, and NFC technology.
- Designed the core mechanic: users tap physical NFC tags (stickers) placed in the city to unlock and collect corresponding station icons on their phones.

EXHIBITIONS & FEATURES

MoCCA Arts Festival 2025 | New York, NY | 2025

- Selected to represent Parsons School of Design at the official university booth.
- Exhibited two original works: "Sleeping Beauty" & "Young, Wild and Free"

EXTRA-CURRICULAR & COMMUNITY SERVICE

New York Road Runners (NYRR) | New York, NY Volunteer | 2025

- TCS New York City Marathon (Nov 2025): Managed the Mile 22 aid station, responsible for distributing water and supplies to runners and organizing station flow.
- Brooklyn Half Marathon (May 2025): Assisted with pre-race logistics, managing baggage check, transporting baggage, and performing post-start cleanup.

Board of Overseers, Lily Li Future Foundation, Harvard University | New York, NY Volunteer | Jun. 2023 - Present

- Assisted with event logistics, guest greeting, registration, and venue setup for foundation speeches and events.
- Managed guest registration, greeted speakers and attendees, and ensured smooth check-in operations.
- Worked closely with team members to adapt to dynamic event needs and ensure successful programming.
- Contributed to a supportive, mission-driven environment focused on youth empowerment and access to opportunity.
